THE CONTINENTAL GROUP OBTAINS GEORGIA BROKER'S LICENSE

HOLLYWOOD, Fla. – (April 29, 2009) – The Continental Group, the largest property management company in Florida, today announced the company has obtained its broker's license in the state of Georgia. Continental currently oversees rental management, which includes apartment leasing, for two suburban Atlanta communities in Norcross, Ga., the 227-unit Four Seasons and the 130-unit Villas at Norcross.

The broker's license will enable the company to expand its operations throughout the state.

“With the turmoil in the financial and real estate markets, our commercial division has become an industry leader in managing troubled and fractured assets, particularly multi-family and apartment rental communities on behalf of banks, receivers and institutional owners,” said Shelly Chew, Continental's President, Commercial Management Division. “We look forward to bringing this expertise and the resources of Florida's largest property management company to the state of Georgia.”

Founded in 1990, The Continental Group's corporate headquarters is located in Hollywood, Fla. It also has regional offices in Kendall, West Palm Beach, Orlando, St. Petersburg and Jacksonville. The company is the largest manager of multifamily rental communities and condominium and homeowner associations in the state, and one of South Florida's leading private sector employers. Today, The Continental Group manages and maintains more than 1,620 properties in Florida, representing over 350,000 residential units.
