

THE CONTINENTAL GROUP'S DADE OFFICE POSITIONS FOR GROWTH AND RELOCATES TO EXPANDED OFFICE SPACE

MIAMI, Fla. – (December 18, 2009) – The Continental Group, the largest property management company in Florida, announces the relocation of their Miami-Dade office in response to rapid growth in the region.

Located at 5805 Blue Lagoon Drive, Miami, FL 33126, the new office is centrally located to better serve clients throughout the Miami-Dade Region. The office currently supports more than 1,500 employees, responsible for the administration of over 250 communities representing over 52,000 residential units throughout Miami-Dade County.

"This move is important because as our Dade office grows in staff and client responsibilities, we need a facility that can provide better networking and resource sharing capabilities beneficial to both our clients and our employees" said Stephan R. Titleman, President-Dade Region for The Continental Group. "It's a beautiful facility that will provide our staff with great motivation and pride."

The Continental Group will officially open its new Dade office on December 21, 2009. Existing and future 'Kendall and South Dade' clients will find comfort knowing that the company will continue to provide a Community Room in the Kendall area where clients can address any and all meeting needs.

"Continental has been serving the Miami-Dade community for over 20 years and has established a presence in the region," said Tom Roses, President of The Continental Group. "Our previous office in Kendall was a wonderful location that allowed us to grow and build a world-class employee base. We expect to experience the same growth at our new offices and build on our mission of service and integrity for all clients in Miami-Dade."
