FOR IMMEDIATE RELEASE

PRIME MANAGEMENT GROUP RECEIVES OUTSTANDING BUSINESS PARTNERSHIP AWARD FROM PALM BEACH COUNTY SCHOOL BOARD

BOCA RATON, Fla. – (Oct. 14, 2008) – While none of its employees earned medals in Beijing, Boca Raton-based Prime Management Group recently was awarded “gold” on its home turf. The property management company was honored by the Palm Beach County School Board with the top honor in the large business category of the Outstanding Business Partnership Awards.

Only 27 companies were selected among the more than 100 businesses, organizations and community leaders that were nominated by area schools and departments for their commitment and dedication to the schools and students.

Spanish River High School in Boca Raton nominated Prime for renovating its athletic complex, including modernizing the locker room and concession stands and resodding, landscaping and maintaining the field and the surrounding areas. The complex is now known as Prime Management Field.

“I am inspired everyday by the tremendous support our business and community partners provide for public education,” said Superintendent Art Johnson. “To those partners who have and continue to ardently support our students and schools, thank you for making a positive difference in the lives of Palm Beach County children.”

The winning business partners, along with the Palm Beach County Outstanding School Volunteer Award winners will be recognized at a ceremony in May 2009, celebrating the school district’s centennial anniversary. Three outstanding district-wide partnership awards will also be presented.

Prime Management, a division of The Continental Group, is one of Florida's leading property management companies. It manages 350 HOA and condominium associations, comprising 60,000 units in Palm Beach and Broward Counties, and is one of the area's largest employers with more than 1,300 employees.
